

Hearing held in private

Summary

Name:	SHARMA, Sushil Kamal [Registration no: 82578]
Type of case:	Health Committee (review)
Outcome:	Indefinite suspension
Date:	1 July 2013

IN PUBLIC

The Committee concluded that an indefinite period of suspension, rather than an extension for twelve months, was the appropriate and proportionate outcome in this case. The Committee were mindful that Mr Sharma had already been suspended for a period of over two years and that he is within two months of the expiry of the third year.

The effect of the foregoing direction is that, unless Mr Sharma exercises his right of appeal, his registration will be suspended indefinitely from the date of the expiry of the current suspension.

That concludes the case for today.
